

2017 Citrus Packinghouse Day

When: Thursday, August 24th, 2017

Where: UF/IFAS Citrus Research and Education Center

700 Experiment Station Road, Lake Alfred, FL 33850

Time: Registration opens at 8:30 AM, Program begins at 9:30 AM

Members of Florida Citrus Packers will hold their annual organizational and business meeting following lunch

Lunch Sponsor: DECCO

No pre-registration required

To help in these trying times, the morning educational program will be packed full of the latest information about issues impacting Florida's fresh citrus industry!

Topics will include:

- USDA Fresh Fruit Packing Interstate and Export Updates
- Flavor and Consumer Science for Supply Security and Flexibility in the HLB Era
- Tale of Two Diseases: HLB and Diplodia
- Degreening Difficult-to-Degreen Citrus Fruit: Can it be done?
- Reduction of *E. coli* (Surrogate for *Salmonella*) on the Surface of Grapefruit During Various Packingline Processes
- FSMA/PSR: Overview & Update on Rollout/Implementation in Florida
- Short Presentations by our Exhibitors Showcasing their Latest Products & Services

For questions and the latest details, contact Mark Ritenour at 772-577-7359 or ritenour@ufl.edu
