JOIN US FOR THE CITRUS YOUTH DAY AT THE UF/IFAS CITRUS RESEARCH AND EDUCATION CENTER (CREC) IN LAKE ALFRED.

Citrus Youth Day will be a fun and educational experience about Florida citrus, research, and agriculture careers for students 8-18 years old. This will be a great opportunity to learn about Florida citrus!

SCHEDULE

8:15 a.m.    Registration
8:45 a.m.    Welcome, UF/CALS Presentation, and Break into Groups
9:15 a.m.    Group Rotations (Horticulture, Entomology, Plant Pathology, and Food Science)
12:30 p.m.   Lunch (pizza & cookies)
1:00 p.m.    Program Adjourns

Over the past 100 years, the University of Florida (UF) Citrus Research and Education Center (CREC) has been honored to assist the citrus industry in meeting its developmental needs through its Research, Extension, and Teaching programs. CREC is the oldest and largest off-campus experiment station in UF’s Institute of Food and Agricultural Sciences (UF/IFAS) and is unique among research centers in that it focuses entirely on one commodity, citrus. CREC discovers and delivers innovative solutions that empower citrus and other agricultural interests to conduct responsible and profitable business. CREC fosters scientific excellence and efficient use of resources.
